

PowerShot G1X Mark III

ADD NEW DEPTH
TO YOUR VISION

Give your shots a beautiful bokeh effect with the APS-C CMOS Sensor, allowing you to add more depth to your images.

PowerShot G3X

ZOOM IN
TO STAND OUT

Look beyond the ordinary with the powerful 25x optical zoom of the PowerShot G3 X. You'll see further and clearer thanks to Canon's unique optical excellence.

PowerShot G9X Mark II

SMALL IS BEAUTIFUL

Chic meets power. With Canon's optical excellence, you'll be capturing shots as stunning as the G9 X Mark II's sleek, compact design.

Also available in silver. Colour availability varies by country.

PowerShot G7X Mark II

POWER YOUR IMAGINATION

With a 1.0" sensor, you'll have all the power you need to capture your imagination in beautiful detail and clarity, even in low light.

PowerShot

Canon

Delighting You Always

CAPTURE BEAUTY EFFORTLESSLY

Introducing the PowerShot G Series with all-new features to help you take beautiful shots effortlessly.

- Built-in pop-up EVF • 4K recording • APS-C Sensor

Made in JAPAN

PowerShot G5X Mark II

FRAME IT RIGHT IN TRICKY LIGHT

BEAUTIFUL ERGONOMIC DESIGN

The pop-up EVF works in real-time. It helps you shoot in challenging light situations, even when the sun is glaring in your eyes. This allows you to control the focus point with your finger by using Touch and Drag AF so your eye never has to leave the EVF.

POP-UP EVF
2,360,000 dots

SHOOT WIDE OPEN SPACES OR CLOSE ENCOUNTERS

The 24mm wide angle and the 5x optical zoom allow you to achieve wide majestic landscape shots or zoom in for a more creative composition. With the 0.47x magnification, you can get really up-close to your subject with this macro feature.

The 9-blade aperture lens with a brightness of f/1.8 - f/2.8 creates a softer touch of bokeh - ideal for portraits.

24mm WIDE
5x

COMMON FEATURES FOR G5 X MARK II AND G7 X MARK III

SEE BEAUTY IN LOW LIGHT

Beauty will never be hidden from you again with a 1.0" stacked CMOS sensor and DIGIC 8 combined, allowing you to capture low-light, crisp images at an amazing ISO of 12,800.

4K CROP
4K NO CROP

4K RECORDING

When you want more than great stills, you can capture 4K videos in stunning detail without crop. If you like what you see in your 4K footage, why not take a frame grab of it?

CAPTURE THE MOMENT

Never miss a moment again, capture scenes in the highest image quality with the RAW Burst Mode that goes up to 30fps*.

* Only for One-Shot AF.

STARRY SHOTS

Bring home a piece of the starry night sky. Watch how the stars travel across the sky and photograph the galactic footprints across the night canvas using the Star Mode and Star Time-Lapse Mode.

OPTIONAL GRIP

Pair your PowerShot with the optional Canon Tripod Grip HG100-TBR, a video grip that provides a sturdy and comfortable hold of the camera for more creative video recording possibilities. Transform it into a tabletop tripod when recording hands-free. It comes with a Bluetooth wireless controller (BR-E1) which allows for control of the camera remotely.

PowerShot G7X Mark III

MOTION CAPTURED IN DETAIL

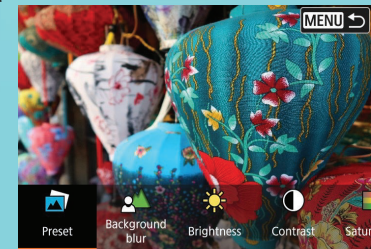

Also available in silver. Colour availability varies by country.

CREATIVE ASSIST

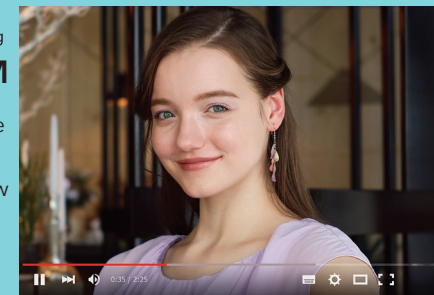

Get creative with Creative Assist, a built-in beginner feature that allows you to adjust settings such as contrast, brightness and background blur to achieve the look that you desire. Additionally, the camera also suggests filters based on the shooting information such as colour temperature and face detection.

CAMERA, ACTION, STREAM

Go live on YouTube with the G7 X Mark III's ability to live stream.* What's more, a new microphone jack allows the use of external microphone for clearer audio capture.

* The live streaming service of this product supports live streaming on YouTube only. To use the live streaming service, registration on CANON IMAGE GATEWAY is needed in advance. In accordance with YouTube's "Restrictions on live streaming", users must have a minimum of 1,000 subscribers in order to live stream from a mobile device. This restriction also applies to the YouTube live-streaming service available via the Canon PowerShot G7 X Mark III. For up-to-date information on restrictions, please visit <https://support.google.com/youtube/answer/2853834?hl=en>. Live streaming on YouTube may change, stop, or terminate without notice. Please note in advance that Canon does not assume any responsibilities for services provided by third parties, including live streaming on YouTube.
