

# CLOSER VISION, CLOSER ACTION

12.1  
MEGA  
PIXELS

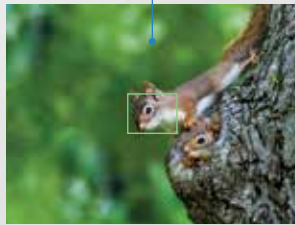

Canon PowerShot ZOOM lets you get closer to all the action! Capture approx. 12-megapixel photos at up to 10 frames per second (fps) or record Full HD videos—supported by a 4-axis optical Image Stabilization to reduce blur from camera shake, along with AutoFocus to help you better capture moving objects.

10  
Frames  
Per Sec

Continuous shooting  
up to 10fps

AF AutoFocus support

Capture high quality photos and videos

4-axis optical  
Image Stabilization

## POWERFUL ZOOM

A brand-new concept camera, the Canon PowerShot ZOOM delivers a mighty instant 3-step zoom between 100mm, 400mm and 800mm\* at the push of a button, offering you new ways of bringing your favourite subjects a lot closer and capturing more detail than many smartphones.

**ZOOM**

\*100mm and 400mm achieved via optical zoom, 800mm achieved via digital zoom.

Zoom with one click

## ALWAYS STABLE

Capture close-up scenes clearer and better. See everything comfortably with optical Image Stabilization that helps minimise blurring caused by movement shake when viewing and capturing photos and videos.

**IMAGE STABILIZER**

Large electronic viewfinder

## POCKET-FRIENDLY, SUPER EASY

**USB Charging**

Weighing at just 145g (approx.), PowerShot ZOOM is the lightweight friend that fits easily in your pocket for convenient usage outdoors. What's more, it supports USB Type-C<sup>^</sup> fast charging and data transfer.

<sup>^</sup>USB (Type C) charger not supplied with camera.

## SHARE YOUR BEST SHOTS

Transfer your photos and videos with ease wirelessly or via USB cable to your smartphone or tablet, where you can then playback on your smart device or post to social media! With Live View via Canon Camera Connect app, share what your camera sees and let your partner enjoy the moment on a smartphone. You can even take pictures remotely while viewing Live View on your smartphone too!

Live View preview and remote shooting require Canon Camera Connect app
